### Social media and Website Consent Form

First of all, thank you! Thank you for selecting Gentle Dentistry. We would love to post your review, picture and experience here online at [www.gentledentistrykzoo.com](http://www.gentledentistrykzoo.com), within our website. If you would like to take part in recognizing our office online within our patient section, home page or testimonial on our website, Facebook or Twitter, please sign below. This form states that you freely give consent to take part on our website and authorize that your first name and only initial of your last name can be publicly displayed within Gentle Dentistry's website. You understand that by signing this form you are agreeing to take part in our online media source(s) and website. You have received a copy of this form to take with you, as well. We, the staff here at Gentle Dentistry, thank you; we are happy to have you as a patient here for all your dental health care needs.

Patient Signature

---

Printed Name of Patient

### Witness Statement

I confirm that I was present for the verbal and written statement summary presented to the patient mentioned above, as well as the execution of this form. I agree that the information was accurately explained to, and apparently understood by, and that informed consent was freely given by the patient.
